October 2, 2017

Greetings,

We greet you in the awesome name of the Lord Jesus Christ. The *One Hundred Thirty-Six Annual Session* of the Pee Dee Baptist Association will be held at Jerusalem Baptist Church, 301 South Sixth Street, Hartsville, South Carolina 29550, where the Reverend Reginald S. Floyd, Esq., serves as pastor. We will convene on October 29-November 3, 2017.

We are asking each church to represent with your prayers, presence and participation. Please register your church before the Association. You can download a copy of the church letter from our website. By pre-registering, your packet will be available for you so that you will not miss a moment of the services. Meals will be provided by Jerusalem Baptist Church, Tuesday-Friday, at a cost of $7.00.

We must be excited about ministry because that is what God has called us out of the world to do. To some degree we have always honored this mandate. The argument for this session is that God has already placed in every Church the resources which are necessary to honor His purpose. We have the preacher and the people and that they possess a community that He has called together to do ministry. Additionally, He has placed at our disposal a wealth of external resources to make the task less demanding.

Finally, we are asking all pastors to come and bring the members of your congregations. We look forward to the Body of Christ coming together to explore strategies that will make ministry more meaningful in this age.

Yours in His Service,

Henry B. Peoples
Moderator
